

# PORT KENNEDY PRIMARY SCHOOL

## *From the Principal*

1st March 2019

It was great to have a visit from Safety Bay Senior High School students yesterday at our assembly. Performances from the music program and cheer squad were enjoyed by all students. W2 were very brave taking on the first assembly of the year and had fun doing so. Listening to the merit award citations, we have many children who have begun the year well and are having success.

I've very proud of our attendance so far this year and hope that we can keep it going. Below is a summary of our overall attendance for every day of the year so far. We have close to 80% of our students who have missed less than 2 days this term which is what we are expecting to see. Particularly in a primary school, the parents play a major part in ensuring their children attend. Thank you for your support in the first four weeks of term.

	Mon	Tue	Wed	Thur	Fri
Week1	96.06	98.5	97.54	97.54	95
Week2	95.41	94.94	95.35	93.35	93.4
Week3	95.84	94.48	92.94	94.92	93.4
Week4	93.74	97.41	94.47	94.13	91.15

For the next couple of weeks we have a survey set available for parents, students and staff. The purpose of the surveys is to give the school leadership team a 'warts and all' look at how we are going as a school at this point in time. There are always many ways in which a school can improve and we are looking forward to taking this information on board as part of our next phase of Strategic Planning. The benefit of this planning will be improved student outcomes, so the more information the better. This survey has been professionally developed as part of the Fogarty Advance Improvement program. Here is the link:

Have a great long weekend.

Reminders - Parking in the Staff Car Park

Staff often have to leave during the day to attend meetings. Recently we have had a number of community members parking in the staff carparks which has caused staff not to be able to leave or return on time for meetings and other appointments. Please use the parking allocated during pick up and drop off time.
